

Rules for Masters Divisions 2015 Australian Masters Games

The Australian Kodokan Judo Association (AKJA) supports and encourages the involvement of participants in “Masters Age” divisions for contest in both Shiai (full contact judo competition) and Kata (demonstration of forms) tournaments.

Whilst the AKJA Contest rules are utilised at all AKJA and affiliate member governed Shiai tournaments, some rule modifications have been made by the AKJA to be adapted and utilised at tournaments with Masters Age divisions, including the 2015 Australian Masters Games . They are identified in the following sections.

- Certificate of Fitness may be required prior to competition commencement.
- Warning, Waiver & Release will be required to be signed by all participants.

1. Age Divisions & Contest Times:

- Natural birth dates apply as at the day of the contest.
- Because the Masters Divisions are age specific, proof of age is required.
- Photographic identification should be produced at the time of tournament registration or weigh in. Persons unable to provide photographic identification will need to provide two (2) other forms of suitable identification.

3. Injuries:

Should an injury occur, AKJA contest rules will be followed. However some common-sense modifications have been included and are as follows:

The Medical/First Aid Officer may recommend to the Referee Commission that a competitor be excluded from further tournament participation if they have received or are suffering from concussion or injury deemed by that Medical Officer to be detrimental to the competitor's health. The Referees Commission will deliberate on the findings of the Medical/First Aid Officer and make an informed decision on whether the player is fit to continue or not. The decision of the Referees Commission in consultation with the Medical/First Aid officer shall be final.

Where any player is rendered unconscious, they will not be allowed to continue in the tournament unless given a written clearance by a medical officer (Legally Qualified Medical Practitioner). All players rendered unconscious should be conveyed to a hospital or medical centre ASAP after the incident. *Eg: Player blacks out as a result of a choke/strangle technique.*

The advice of the Medical Officer shall be accepted by the Referee's Commission and the player excluded from further participation until declared fit to resume competition by a Legally Qualified Medical Practitioner.

4. Judo Gi's:

To limit the cost incurred by players only white Judo Gi's will be worn at the tournament. Red and White belts/sashes will be provided for use.

RULES utilised for this tournament will be the AKJA 2015-2016 Contest Rules.
